

## 2024 NJAOPS Poster Presentation Competition

### CALL FOR POSTER ABSTRACTS

#### Residents & Medical Students

The New Jersey Association of Osteopathic Physicians & Surgeons is accepting poster abstracts for the AROC 2024 Conference.

This is your opportunity to present a clinical or research project to over 500 physicians. Posters will be judged by an expert panel and awarded monetary prizes for first place in each of the categories below:

- **Research** – Summarize the results of a well-defined basic or clinical research project, including a hypothesis, dependent and independent variables, tests for measures of association, succinct discussion of data, etc. All work should be original. Projects may involve observational or interventional studies.

Research also includes Quality Improvement Studies that report on efforts to improve patient safety or outcomes measurement. Such efforts may be projects developed and initiated to promote patient safety and/or processes that have improved or created a safer environment for patients.

- **Case Presentation** – Present a clinical scenario with discussion of an actual patient presentation. A clinical case presentation must include an introduction, case description, and discussion of current practice guidelines for management of the patient's condition.

### Disclosure of Financial Support

Any financial support must be indicated on the disclosure form. NJAOPS and ACCME require all authors to submit a disclosure form at the time of submission. Failure to disclose financial support will result in the submission being rejected or the poster being disqualified.

### Submission Steps

1. Each author must submit a conflict-of-interest disclosure form which will be emailed to the applicant at the time of the application by NJAOPS' CEO, Tajma Kotoric.
2. Once disclosure forms are submitted by all authors, the primary or secondary author submits the abstract directly to NJAOPS' CEO, Tajma Kotoric at [tkotoric@njosteo.com](mailto:tkotoric@njosteo.com)

NOTE: The primary author is responsible for ensuring that all authors submit a disclosure form.

### Abstract Submission Deadline

Your abstract and supporting material must be submitted by 11:59 PM on **Sunday, March 3, 2024**. The online application will close at 12:00 AM on **Monday, March 4th**. Please email your abstract along with supporting materials to Tajma Kotoric via email at [tkotoric@njosteo.com](mailto:tkotoric@njosteo.com)

### **Poster Contest**

If your abstract is accepted for poster presentation:

- The primary author will be notified of acceptance for presentation via email by Friday, March 15, 2024.
- The first and/or second author must attend AROC 2024 to:
  - o Set up your poster by **6pm, Friday, May 5th**
  - o Present your poster for judging on **Saturday, May 6th during the morning break and lunch:**
    - have your poster “elevator speech” ready and be prepared to answer questions from judges
    - **the poster contest is eligible for CME credit so expect conference attendees during lunch**
    - remove your poster by **3pm Saturday** (posters not removed will be discarded)

The poster should include the title of the presentation and the names of the authors. Lettering should be easily legible from about 3 feet. You are responsible for printing your poster. Poster dimensions are limited to a maximum of **36” high x 48” wide**. Posters that exceed this size will be excluded from judging. The NJAOPS will provide push pins and a 4’ high x 8’ wide poster/tack board. Your poster should be prepared on heavyweight paper or lightweight cardboard, so it can be attached to the tack board with push pins.

### **Ethical Considerations**

Poster content must be up-to-date and presented in an ethical manner. Comparisons of efficacy, contraindications, modes of administration, etc. between competitive products shall be fully presented. Editorial conclusions should be made with ethical restraint. If applicable, please provide a copy of your letter of approval from your Institutional Review Board (IRB), confirming that you have designed your project so as to protect the rights and welfare of your research subjects.
